Have you ever received an SRL grant? (if different from above)	(Y / N)
How did you learn of SRL's research grants program?	
<i>Grant ID, year and title (list all)</i>	

**Section 4: Narrative - Please complete the following on a separate page.**

- (1) **Project Abstract**— Include a brief project description, intended accomplishments, a list of final products, and total budget and requested amount.
- (2) **Your Organization**—State its mission, goals, and other appropriate details. Please provide evidence that your organization is an entity described in 26 USC Section 170(b) (1) (A) [other than clauses (vii) and (viii)]. [For example, school, university or public charity organized under laws of the U.S. or of any State, a State or any political subdivision thereof, the United States, a tax-exempt public charity described in Section s 501(c)(3) and 509(a)(1) of the Internal Revenue].
- (3) **Project Objectives**—List the project’s specific objectives, and their likelihood of being reached.
- (4) **Increase understanding of the redwood or giant sequoia** — Describe how the proposed research will expand our understanding of the coast redwood, giant sequoia, or the ecosystems in which they are key components.
- (5) **Methodology**—Describe the project’s tasks and include a timetable for their implementation.
- (6) **List principle investigator(s) and participating staff**—including the professional qualifications of key personnel. Where appropriate, briefly describe the investigator(s) relevant research / program of research. Include full contact details, including e-mail, and personnel affiliation.
- (7) **Project Evaluation**—Describe the strategy for monitoring and evaluating your proposed project's results (in the short and long term), including how success will be defined and measured.
- (8) **Budget**—List total cost of the project, and specific amount requested from the League (not to exceed \$15,000). Please include the following in the budget section of your proposal:
  - How the grant funds will be allocated to achieve the project objectives
  - The source(s) and amount(s) of other grant funds received and/or requested
  - How League funding will leverage or complement other sources of funding
  - A plan to secure ongoing funding from other sources to expand and/or replicate the study

\*Please note the League does not fund indirect costs.
