

Applicant Name	Project Title	Project Description
Boys & Girls Clubs of San Francisco	Camp Mendocino - Environmental Education for All	Supports the addition of new redwood education components to the existing camp curriculum.
Center for Land-Based Learning	Finding Your Voice: Working Within Redwood Forests to Build Ecosystem Understanding	30 San Joaquin County high school students from underserved communities will participate in a 3 day educational trip to Calaveras Big Trees State Park.
Community Clean Water Institute	Citizen Science Watershed Quest Educational Workshop	Engages environmental educators in developing a Quest in the Atascadero-Green Valley watershed, focusing on watershed health.
Convent of the Sacred Heart High School	Conservation Biology of the Redwoods	Course teaches students about the genetics of redwoods; includes field trips and restoration activities.
Cuddeback Elementary School (CUSD)	Junior Watershed Scientists Training Program	Humboldt County fourth through eighth graders study stream health and raise and monitor salmon. A curriculum guide for other local schools will be produced.
Del Norte County Unified School District	Environmental Science Education Field Trip Grant	Supports field trips to the redwoods for K-6 students throughout the school district.
Dow's Prairie School (MUSD)	Wolf Creek Outdoor School Trip	Funds a week-long trip for 5th graders to Wolf Creek Education Center at Redwood National and State Parks.
EarthTeam Environmental Network	Redwood Eco-Stewards	East Bay high school students learn history and stewardship of redwoods and participate in forest restoration at Muir Woods and Sausal Creek.
Empire Elementary School (EUSD)	Learning Through Redwoods	Low-income students learn about the redwood forest in the classroom, participate in field trips to redwood parks, and collect data for <i>Redwood Watch</i> using trees located at school.
The Environmental Volunteers	Huddart Park Forest and Foothills Ecology Field Trips	South Bay urban first through fifth graders participate in field trips to a local redwood park.
Exploring New Horizons Outdoor Schools	Environmental Education for Underserved Students	Provides financial support to Northern California students from economically disadvantaged families to attend outdoor school in the redwoods.

FC Joyce Elementary School (TRUSD)	Larchmont Grade 6 Visit to the Redwoods 2010-11	6th grade Sacramento students learn about redwood forests through in-class instruction, a 1-day field trip to Armstrong Redwoods SP, and 1-week at outdoor school.
The Forest Foundation	Map It, Manage It, Sustain It (MMS)	High school students learn about redwood forest ecology on a 1-day field trip to Humboldt State University and Arcata Community Forest.
Frank Zeek Elementary School (UUSD)	4th Grade Science Camp	Fourth graders attend science camp for 3 days at Mendocino Woodlands' Residential Outdoor Science School (ROSS).
Humboldt Area Foundation - Ride to the Wild Fund	Ride to the Wild	Funds bus transportation for teachers and students to redwood forests in Humboldt County.
Humboldt County Office of Education	Redwood Environmental Education Fair	Supports a two-day environmental education fair that teaches 3rd-8th grade students about the environment and helps teachers become familiar with community resources.
Humboldt State University Natural History Museum	Redwoods and Climate Change Education Program	Helps develop a 4-lesson curriculum that supports student field trips to the new Dendochronology exhibit; includes an in-class component, a Web quest, and teaching boxes.
Ink People Center for the Arts	Ancient Redwoods Are Here	Funds outdoor sessions in redwood ecology for students in nearby old growth redwoods; multidisciplinary approach includes science and art.
LandPaths	IOOBY Redwood Restoration Project Year 3	Funds a native riparian redwood grove restoration project, implemented by 11th and 12th grade students as well as the 6th graders they are mentoring, through an education collaborative with local schools and regional parks.
Mendocino Area Parks Association	MAPA Interpretation Center Supplies	Provides resources for a new interpretation resource center for interpreters and rangers.
Mendocino Woodlands Camp Association	Mendocino Woodlands Residential Outdoor Science School Tuition Support	Supports scholarship funds for 4th - 8th grade students to attend the five-day residential outdoor school.
Muir Woods National Monument (GGNPC)	Muir Woods - Student Transportation	Funds transportation costs for the <i>Into the Redwood Forest</i> program, an interpretive program for Bay Area elementary school students.

Pacific Union School (PUSD)	Stewards of the Environment	Fifth grade students learn about redwood forests for 2.5 days at Wolf Creek Outdoor School.
San Francisco Botanical Garden Society	Smallest Kids, Tallest Trees: A Redwood Experience	Develops a standards-based field trip program for kindergarten students in the Garden's redwood grove.
Sequoia Natural History Association	Connect to Giant Forest	Develops an interactive, online education tool of the Giant Forest, including a scavenger hunt, hiker log, animal tracking, and giant sequoia life cycle.
Smith River Alliance	Immersion Camp, An Aquatic Ecology Youth Camp	Campers ages 13-18 learn about redwood forests, especially aquatic/riparian habitats, gain leadership skills, and work with natural resource professionals.
Stewards of the Coast and Redwoods	Russian River State Parks Redwood Ecology Program	Develops a new station-based interpretive program, allowing school groups to rotate through different stations along the trail during field trips.
University of Arizona, Laboratory of Tree-Ring Research	Interactive Giant Sequoia Exhibit	Creates an interactive, digital display about tree rings, featuring giant sequoias, in their new museum.
Ventana Wilderness Alliance	Connecting Students to Sempervirens	Salinas Valley youth visit state and national redwood parks to learn about redwoods and perform stewardship projects. Particular emphasis on fire science.
Vida Verde Nature Education	Redwood Education Programs for Underserved Youth	Funding for 3-day, overnight camping experiences in the redwoods for Bay Area inner-city, minority, and low-income youth.
WildCare	Children and Families in Nature	Supports Nature Discovery field trips, Family Adventures, week-long Nature Camps, and Nature Van presentations.
Wilderness Arts and Literacy Collaborative	Struggling for Sustainability: Preservation, Restoration, and Environmental Justice	Supports redwood-focused educational program for Balboa and Downtown high school students, including both in-class lessons and field trips to California parks; multidisciplinary approach includes science, art, poetry.
YMCA Point Bonita	My Home, My Community, My World	Funds a field trip for low-income students to Muir Woods National Monument as part of the camp's larger K-8 environmental education partnership with local schools.
Youth Enrichment Strategies	Family Camps in the Redwoods	Supports 2-day family camps for Richmond families at YMCA Camp Loma Mar.
