

Applicant Name	Project Title	Project Description
Big Sur Land Trust	Creating Transformative Experiences for Youth	Supports 3-day camping and day trips for youth in Monterey County. Educational programs focused on redwood history, ecology, and the story of place for 180 Salinas Valley youth
C.B. Eaton Elementary School	Schoolyard Ecology/Redwood	Supports an education unit on redwoods including a field trip to Big Basin State Park.
Chabot Space & Science Center	Redwood Champions	Supports a year long after school program for underserved youth to expose them to redwood forests and education.
Convent of the Sacred Heart High School	Conservation Biology of the Redwoods	Course teaches girls about the genetics of redwoods; includes field trips and restoration activities.
EarthTeam Environmental Network	Skyline High School's Schoolyard Restoration Project	East Bay high school students participate in an afterschool leadership project to restore their campus' redwood habitat.
Empire Elementary School (EUSD)	Learning Through Redwoods	Low-income students learn about the redwood forest in the classroom, participate in field trips to redwood parks, and collect data for Redwood Watch using trees located at school.
Exploring New Horizons	Meaningful Outdoor Science and Stewardship Program	Provide low-income students with field science and outdoor education experiences. This includes in-class presentations and a 5-day overnight field experience.
FC Joyce School (TRUSD)	Coast Redwood Visit for one week by FC Joyce School	6th grade Sacramento students learn about redwood forests through in-class instruction and 1-week at outdoor school.
Grattan School	Coastal Redwoods Past, Present, and Future	A class for 3rd graders on Redwood Ecology. Includes weekly walks around the neighborhood to redwood stands and a field trip to Muir Woods.
Independence High School	Independence HS Environmental Stewardship Program	Supports a class on environmental stewardship with a field trip to Calaveras Big Trees State Park

Ink People	Our Coastal Redwoods	Supports a program to engage elementary grade students in a week long program to explore the life cycles of a variety of trees, plants, animals, bugs and fish of the redwood forest.
LandPaths	IOOBY Redwood Stewardship at Rancho Mark West	Third and sixth grade students conduct environmental stewardship and education focused on redwood ecology. Includes four redwood forest visits.
Muir Woods National Monument (GGNPC)	Into the Forest	Supports the Into the Redwood Forest program, an interpretive program for Bay Area elementary school students.
Pepperwood Preserve Foundation	Pepperwood's TennNat Program: Engaging Diverse Teens in Ecological Inquiry	Teens participate in a 4-week summer internship that contributes data to the League's citizen science program, Redwood Watch.
Redwood National & State parks	Training the next generation of redwood stewards	Supports an internship program providing students with experience in various facets of Vegetation Management in the redwood ecosystem, including redwood forest restoration, rare plant and phenology monitoring, invasive plant control and fire effects monitoring.
San Francisco Botanical Garden Society	Smallest Kids, Tallest Trees	Implements a standards-based field trip program for kindergarten students in the Garden's redwood grove.
Stewards of the Coast and Redwoods	Redwood Ecology Outdoor Adventure Science Program	This program incorporates citizen science with a multiple overnight adventure for youth at one of our redwood campgrounds in the State Parks' Russian River District.
UCCR Web of Life Field (WOLF) School	Growing Redwood Stewards	Supports the Growing Redwood Stewards Program to provide funding to culturally diverse low-income students to attend residential science programs.
Ventana Wilderness Alliance	Connecting Students to Sempervirens	Salinas Valley youth visit state and national redwood parks to learn about redwoods and perform stewardship projects.
Vida Verde Nature Education	Environmental Education Trips for Low-Income Youth: Focus on Redwoods	Funding for 3-day, overnight camping experiences in the redwoods for Bay Area inner-city, minority, and low-income youth.
WildCare	Redwood Nature Discovery Field Trips	Supports Nature Discovery field trips, Family Adventures, week-long Nature Camps, and Nature Van presentations.

Wilderness Arts and Literacy Collaborative	Struggling for Sustainability: Preservation, Restoration and Environmental Justice	Supports redwood-focused educational program for Balboa and Downtown high school students, including both in-class lessons and field trips to California parks; multidisciplinary approach includes science, art, poetry.
Wilderness Torah	B'hootz (Outside) & Tu B'shvat (Birthday of the Trees Festival)	Youth aged 5-11 learn about redwoods at Redwood Regional Park--exploring their spirituality through nature awareness and ecological understanding.
YMCA Point Bonita	Redwood Ecology – My Home, My Community, My World	Funds a field trip for low-income students to Muir Woods National Monument as part of the camp's larger K-8 environmental education partnership with local schools.
Yav Pem Suab Academy	Coast Redwood Ecosystem	Supports a class on Coast Redwoods for low-income students in the Sacramento area.
