

Applicant	Project Title	Project Summary
Burney Elementary School	Burney Elementary School's 6th Grade Camp	Supports fifty 6th graders to attend a week long nature camp at Mendocino Outdoor Science School (MOSS).
CA Environmental Technology Education Network	Redwood Trail Digital mapping	Seventh graders from Trinidad Union School will create web application maps and/or story maps of the redwood trails at Prairie Creek Redwoods State Park.
Chabot Space & Science Center	Redwood Champions	Supports a yearlong after school program for underserved youth to expose them to redwood forests and education.
Cleveland Elementary School	Bear Cubs at Muir Woods	Supports 60 third grade students to visit Muir Woods as part of a unit on ecosystems, habitats and environmental stewardship.
Empire Elementary School (EUSD)	Learning Through Redwoods	Low-income students learn about the redwood forest in the classroom, participate in field trips to redwood parks, and collect data for Redwood Watch using trees located at their school.
Every Child Outdoors	Every Child Outdoors in the Redwood Forest	Allows fifth grade students to attend a 4 day/3 night redwood program at the Santa Cruz County Outdoor Science School.
Gibson Elementary School	Alliance Redwoods Forest Immersion	Supports sixth grade students to attend a week long outdoor nature camp in Sonoma County. This gives students a firsthand experience in a redwood forest during a unit on redwood ecosystems.
Ink People	Our Coastal Redwoods	Supports a week long ecology and environmental art education program in an old growth coastal redwood forest for fifth and sixth grade students.
LandPaths	IOOBY Redwood Stewardship at Rancho Mark West	Sixth and third grade students will conduct environmental stewardship and education focused on redwood ecology. Includes four redwood forest visits.

Mendocino Area Parks Association	Standish-Hickey State Recreation Area School Field Trips	To provide school field trip program at Standish-Hickey State Recreation Area.
Miranda Junior High	Living Among Coast Redwoods	This project transforms Stephens Grove into an outdoor classroom for students at Miranda Junior High as they participate in a yearlong redwood education program.
Muir Woods National Monument (GGNPC)	Into the Forest	Supports the Into the Redwood Forest program, an interpretive program for Bay Area elementary school students.
Outward Bound	Richmond Teens Redwood Forest Immersion	Provides low-income youth from Richmond an immersion experience in the coast redwood forest.
Pepperwood Preserve Foundation	Pepperwood's TennNat Program: Engaging Diverse Teens in Ecological Inquiry	Teens participate in a 4-week summer internship that contributes data to the League's citizen science programs, Redwood Watch and Fern Watch.
Redwood National & State parks	Training the next generation of redwood stewards	Supports an internship program providing students with experience in various facets of Vegetation Management in the redwood ecosystem, including redwood forest restoration, rare plant and phenology monitoring, invasive plant control and fire effects monitoring.
Salmon Protection and Watershed Network	Restoration in the Redwoods	Allows at least 300 elementary school students firsthand experiences of creekside redwood groves, redwood forest ecology, propagation and restoration.
San Francisco Botanical Garden Society	Smallest Kids, Tallest Trees	Implements a standards-based field trip program for kindergarten students in the Garden's redwood grove.
Stewards of the Coast and Redwoods	Redwood Ecology Outdoor Adventure Science Program	This program incorporates citizen science and stewardship into multi-day redwood programs for youth in the State Parks in the Russian River District.

Ventana Wilderness Alliance	Discovering the Southernmost redwoods	Salinas Valley youth visit state and national redwood parks to learn about redwoods and perform stewardship projects.
Vida Verde Nature Education	Environmental Education Trips for Low-Income Youth: Focus on Redwoods	Funding for 3-day, overnight camping experiences in the redwoods for Bay Area inner-city, minority, and low-income youth.
WildCare	Redwood Nature Discovery Field Trips	Supports Nature Discovery field trips, Family Adventures, week-long Nature Camps, and Nature Van presentations.
Wilderness Arts and Literacy Collaborative	Earth's Dynamic Balance: Evolution in Our Ever Changing World	Supports redwood-focused educational program for Balboa and Downtown high school students, including both in-class lessons and field trips to California parks; multidisciplinary approach includes science, art, poetry.
YMCA Point Bonita	Redwood Ecology – My Home, My Community, My World	Funds a field trip for low-income students to Muir Woods National Monument as part of the camp's larger K-8 environmental education partnership with local schools.
Yav Pem Suab Academy	Coast Redwood Ecosystem	Supports a class on Coast Redwoods for low-income students in the Sacramento area.
