

Redwood Connect Grantees 2021-2022

Applicant	Project Title	Project Summary
Boys and Girls Club of San Francisco	Redwood Forest Weekend Immersion for SF underserved youth	Multiple three day trips to the Mendocino redwoods to teach youth to appreciate the natural world around them.
Camp Phoenix	Camp Phoenix and the Coastal Redwoods	Support a week-long summer trip to the Santa Cruz Mountains and day trips during the year to the redwoods. Students study a variety of things in the redwoods including social/emotional learning.
Coastal Watershed Council	Watershed Rangers Summer Camp	Summer camp with Nueva Vista Community Center students and a field trip to Henry Cowell Redwoods State Park. Programs focus on exploring the San Lorenzo River watershed.
Eel River Recovery Project	Native Youth Connect in the Redwoods	Four day overnight trip to the UC Angelo Reserve to study science from scientists and speak with elders on traditional land use.
Exploring New Horizons	Outdoor Educational Equity	Provide students, "day camp", an outdoor learning space where they focus on environmental stewardship, social emotional learning and the arts.
First Place for Youth	Summer Bridge Program	Supports summer camp programs for young adults out in redwood forests.
Landpaths	Vamos Afuera	Brings students on four, day-long field trips to the redwoods to focus on redwood discovery and exploration, redwood ecology and habitat, watersheds and stewardship.
Randall Elementary School	Outdoor Science Camp	Provides bus money to go to Exploring New Horizons Outdoor science camp.
Vida Verde	Vida Verde Redwood Education, Exploration, and Immersion	Three-day redwood camping trip programs for elementary school students and a week-long teen and family program in the Santa Cruz area.
WildCare	Redwood Discovery Nature Hikes	Lead students on day hikes in the redwoods to talk about redwood ecology.

Willmington Teen Center	From the Barrio to the Big Trees	Lead a day field trip to the Giant Sequoia National Monument for youth and families. Bring the sequoia back to their community by creating a mural at the center of the sequoias.
Winter Middle School	Funding Outdoor School	Funds students to visit a week long Outdoor Science school at Exploring New Horizons
Youth Spirit Artworks	Redwood Councils Community Building Project	Six, day-trips to Reinhardt Regional for exploration in nature. Field trips will focus on healing, fostering relationships with nature and using nature for self-care.
