Save The Redwoods
LEAGUE®

How We're Saving the Redwoods Today

We **protect** redwoods by purchasing forests and the surrounding lands and waterways needed to nurture them.

We **restore** logged redwood forests and the surrounding lands they need to thrive, so the forests may return to a magnificent old-growth state one day.

We **connect** people with these magical places and inspire the next generation of redwoods stewards.

The mission of Save the Redwoods League is to protect and restore redwood forests and connect people with their peace and beauty so these wonders of the natural world flourish.

Year founded	1918
Total acres protected	190,000+
Old growth acres left to protect (coast redwood)	24,000
Donations since founding	\$135 million+
Redwood parks created	66
Kids served by League education programs	120,000+

"Since 1918, our supporters have enabled Save the Redwoods League to set the gold standard in conservation of the redwood forests that have inspired generations. Now — at a time when more and more of us live in cities, increasingly isolated from the natural landscapes that sustain us — the work of the League is more important than ever." - Sam Hodder, President and CEO

Your gifts make it possible to protect the trees we all love. Thank you for your support!
