

REDWOODS POETRY

Redwood forests have inspired visitors from all over the world! Sit in a quiet spot.

Look around you – what do you see? **Listen** carefully – what do you hear?

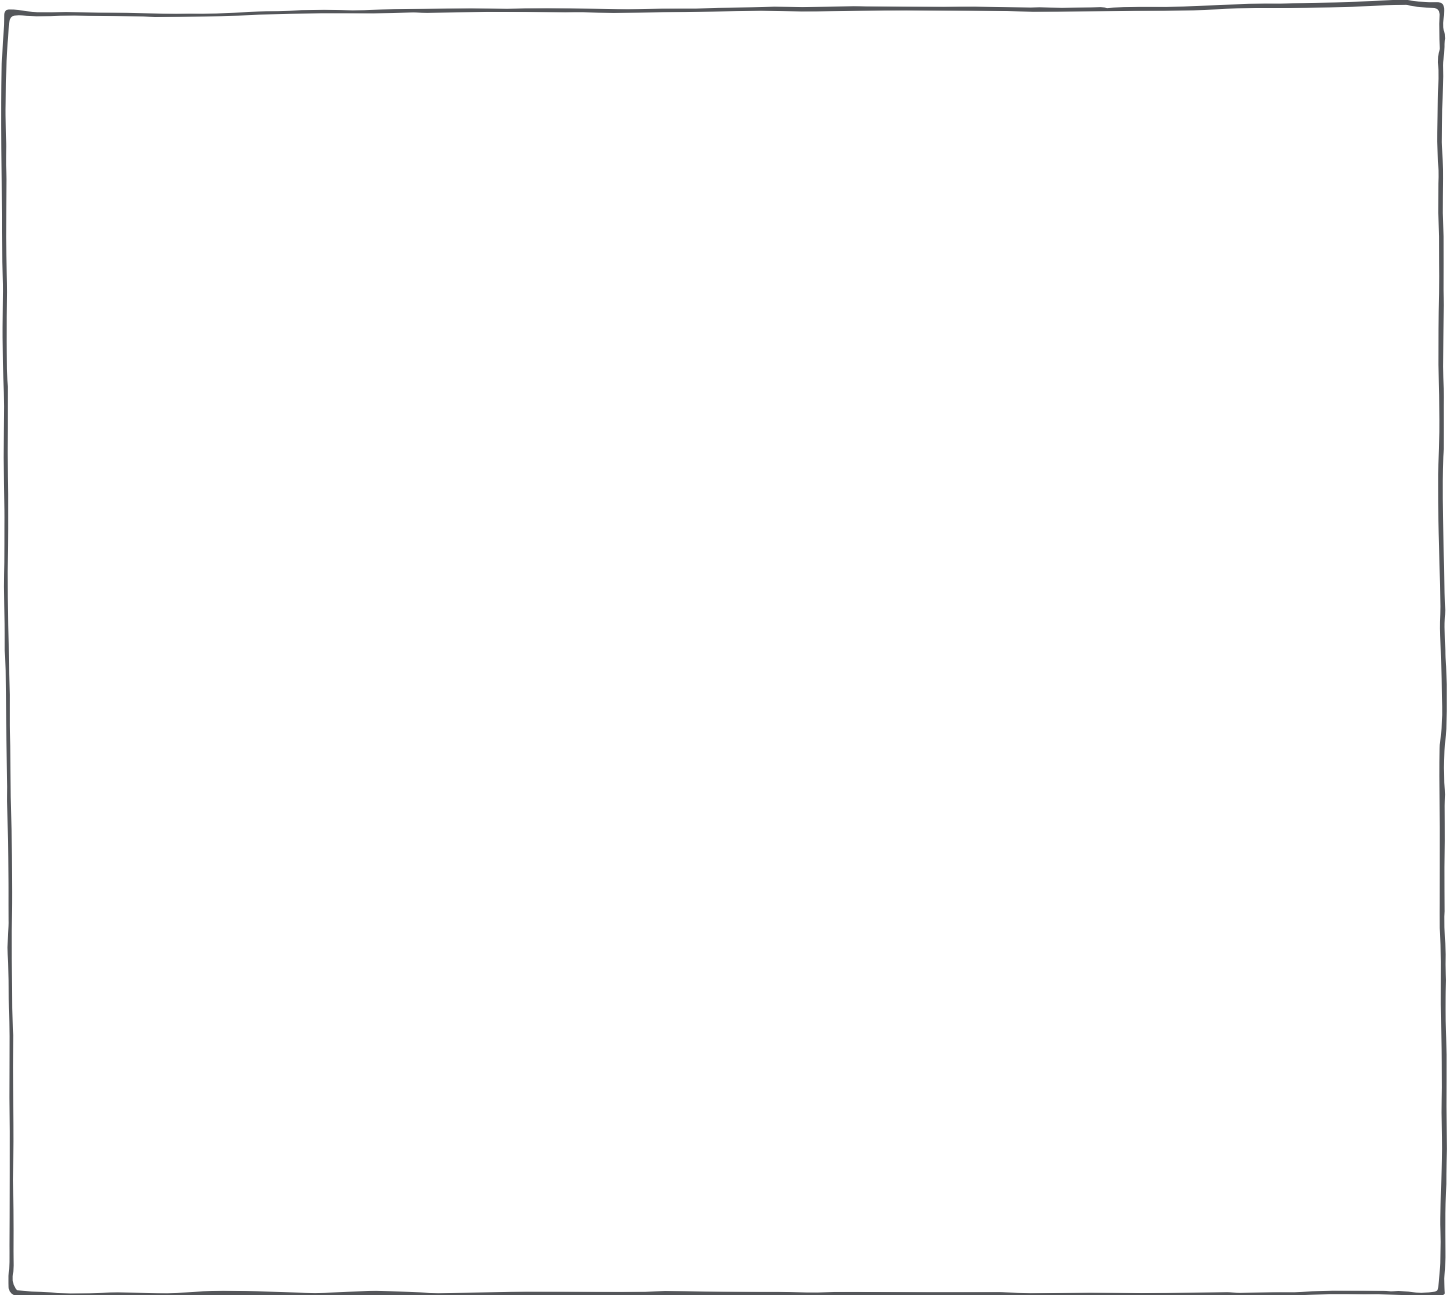

Send the League your poem, and we might post it on our website! Email it to Education@SaveTheRedwoods.org, or mail it to the Education Program Manager at the address below.

REDWOODS ART

Do you like to draw? A redwood forest can give you lots of great ideas! Walk through the forest. **Look** around – what do you see? **Listen** – what do you hear?

In the box below, draw a picture about what you see and hear. Or gather some leaves from the forest floor (don't take anything alive!) and make leaf rubbings.

Send the League your art, and we might post it on our website! Email it to Education@SavetheRedwoods.org, or mail it to the Education Program Manager at the address below.
